Further to a meeting earlier today we are happy to announce we will be opening 8:15am Monday 01.06.20 after closing on 24.03.20 for 10 weeks.

Our main focus is to ensure the health and safety of our employees and customers.

We have measures in place to combat & prevent the spread of COVID-19

We encourage our staff & customers to be vigilant in terms of hygiene, daily cleaning regimes including thorough, frequent hand washing.

We have also increased our cleaning of surfaces, particularly for those areas and items touched regularly by staff and customers. I.e. counter tops, card machines & door handles.

We have new rules we ask people to adhere to;

- Only 1 person at a time at the trade counter (hand sanitizer station found here)
- Safe distance to be kept from the forklift/lorry drivers
- General social distancing to be practised
- We advise to bring someone to help with anything needed to be hand lifted into vans/trailers etc
- We advise customers to pay before delivery's to promote contactless delivery's

We ask customers to bear with us and to respect the social distancing rules.

We will work to review ongoing orders that were affected due to the lockdown.
